**“Zero-Defect” Philosophy applies to all our product, process and service**

**Materials**

Arlon	Rogers	Du Pont
Rogers	Hitachi	Nelco

- Fabrication**
- Rigid boards single sided thru multilayer’s
  - Flexible boards Single Sided thru Multilayer’s
  - Rigid-Flex Multilayer constructions
  - 4 mil line and space
  - Conductive filled vias
  - Strip line construction for impedance
  - Special construction including heavy copper.
  - Immersion and electroplated nickel/gold
  - Laser Skive/ Laser trim
  - Bondable Gold for Aluminum or Gold wire
  - Minimum Mechanical Drill-8mil
  - Laser Drill-3mil
  - ✓ Mega plus PCB will work hard to meet your requirements and needs in a timely manner.

- CAPABILITIES**
- ✓ Rigid
  - ✓ Rigid/Flex
  - ✓ Flex
  - ✓ Single-sided
  - ✓ Double-sided
  - ✓ Multilayer
  - ✓ Ceramic
  - ✓ Teflon
  - ✓ Prototype
  - ✓ Production
  - ✓ Mid Production
  - ✓ Fast Delivery
